**Team:** US RaceTronics

**Competition:** Indianapolis 8 Hour

**Session:** Requested Hardship Lap

**Facts:** The team requested a hardship lap before the first official session. The request was approved by the race director. During the hardship lap the subject car crossed the timing line (on the front straight).

**Supporting Documents:**

Statements by Race Officials, session log

**SR 30.15** In exceptional circumstances, Teams may request a hardship lap to check a car after significant repairs or other issues. Any such requests must be made to the Race Director using the appropriate form (<https://Teams.sro-america.com/Teams-login>) who then must approve it. **If authorized, any such laps will be scheduled and will consist of a single lap from pit out to pit in without crossing the timing line.** Abuse of this Article is subject to review by the Stewards.

**Decision:** The Stewards impose a 5-minute hold in the teams pit box at the beginning of the first Indianapolis 8 hour Free Practice (6:30pm on Thursday October 6, 2022)

The competitor is reminded of his right to appeal (Article 18) except the penalties which are not susceptible to appeal.
