

Sonoma Raceway
Sonoma, CA
March 31 – April 2, 2023
Engine Start Time

March 31, 2023

As per the Supplemental Regulations and local ordinance, no race engines may be started before 8:00AM. This will be strictly enforced on Saturday. To eliminate any discrepancies, Race Control will make an announcement at 8:00AM that engines may be started. Verified reports of engines running before 8:00AM will be subject to a 5 minute hold at the start of the next session.

GT America teams are permitted to tow (or push) their cars directly to their pit box without stopping in False Grid. Fans are permitted in pit lane for GT America only.
