
From: The Stewards
To: Competitor's Representative No. 94 - Bimmerworld
Re: Technical Infraction

Stewards Decision No: GT3-01
Date: 20 May 2023
Time: 11:00

Upon post-Qualifying inspection, the No. 94 was found to be in violation of Sporting Regulation 26.14 D, which requires a minimum fuel weight at post-session inspection. The No. 94 was found to have only 1kg of fuel, rather than the required 2kg.

The Chief Scrutineer issued Technical Infraction Acknowledgement Sequence #002 documenting the violation, which was signed by the competitor's representative at 10:20am.

After considering the matter, the Stewards impose a one grid position penalty on the No. 94 car for Race 1.
