
From: The Stewards
To: Competitor's Representative No. 21 - Conquest Racing
Re: Technical Infraction

Stewards Decision No: GT3-02
Date: 20 May 2023
Time: 11:25

Upon post-Qualifying inspection, the No. 21 was found to be in violation of Sporting Regulation 26.14 D, which requires a minimum fuel weight at post-session inspection.

The Chief Scrutineer issued Technical Infraction Acknowledgement Sequence #003 documenting the violation, which was signed by the competitor's representative.

After considering the matter, the Stewards impose a one grid position penalty on the No. 21 car for Race 1.
