Re: Technical Waiver

Decision No: GT3 - 04
Date: 20 Aug 2023
Time: 13:15

The team representative of the No. 120 Wright Motorsports car has filed a waiver request to allow them to compete in Race 2 without monitoring the “Fuel Mass” channel. They state that this is a new Car competing for the first time and the manufacturer has attempted to rectify the situation and is unable to do so at this Event.

The series Technical Manager was consulted and agreed that a 1-event waiver was acceptable. The Stewards, having considered the matter, grant a 1-event waiver for the No. 120 to compete in Race 2.
