Re: Technical Infraction

Decision No: GT3-06
Date: 24 Sept 2023
Time: 17:40

After the conclusion of Race 2, the No. 38 car was found non-compliant at Impound by the Scrutineers. This was recorded in Technical Infraction Acknowledgement Sequence #011.

After consultation with the Technical Manager and considering the matter, the Stewards assign a penalty of "last finishing position" in the Race 2 results.

The Stewards also direct that, regardless of eligibility, the No. 38 car will accrue no championship points from Race 2.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
