

From: The Stewards
To: Competitor's Representative
#54 Atech Design

Decision No: GT- 09
Date: 11 July 2020
Time: 13:15

After the conclusion of GTSC Qualifying 1, the #54 Atech Design car presented at Impound, and series Technical staff attempted to draw the required minimum fuel sample, as per Sporting Regulations Article 26.12(d).

The fuel sample drawn did not meet the minimum weight required in the Sporting Regulations. This was reported to the Stewards in Technical Infringement Acknowledgement Form #004.

The Stewards, having considered the evidence, issue a Team Reprimand and caution the team to ensure that sufficient fuel remains in the car after official sessions.

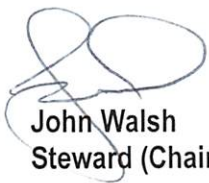

Team: #54

Competition: GTSC Qualifying

Facts: At Impound, insufficient fuel was available in the car to conform to Sporting Regulations Article 26.12(d)

Supporting Documents: Technical Infraction Acknowledgement form #002

Decision: Team Reprimand
