#2 GMG Racing

Decision No: GT-08
Date: 11 July 2020
Time: 13:15

After the conclusion of GTSC Qualifying 1, the #2 GMG Racing car presented at Impound, and series Technical staff measured the front camber as per Sporting Regulations Article 26.13.

The front camber exceeded the TB#16 limit 3.5 and measured 3.6 and 3.7. This was reported to the Stewards in Technical Infringement Acknowledgement Form #002.

The Stewards, having considered the evidence, issue a Team Reprimand and caution the team to ensure that sufficient fuel remains in the car after official sessions.
