

Virginia International Raceway
June 3-6th, 2021
Stewards Bulletin

To: All GT World Challenge America, GT America and GT4 America Sprint-X Competitors

Subject: Stewards Bulletin No. 6 - Clarification of Formation Lap and Re-Start Procedures

Date: 4 May 2021 Time: 13:15

Per the on-site drivers briefings conducted by the Race Directors for the above series, the start and re-start procedures for the VIR rounds for GT World Challenge America, GT America and GT4 America will be conducted as follows:

Starts

- There will be 2 formation laps before the start for each race.
- The class leaders shall maintain the speed of the Safety Cars.

Restarts

- Safety Car lights extinguished after T12.
- Tire warming, brake warming and weaving to stop by once Safety Car lights are extinguished.
- Safety Car will accelerate away from the field and the leader will maintain the pace of the Safety Car.
- Restart Leader may accelerate once they have reached the attenuator at the beginning of the pit lane guardrail.
- Single file, no overtaking until crossing the Control Line (finish line) near pit out.
