The Stewards received a request from Rearden Racing, entrant for the No. 91 car driven by Jeff Burton and Vesko Kozarov, to compete in both GT World Challenge (GTWC) and GT America (GTA) in the No. 191 car.

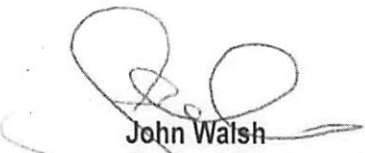

The team has had continuing performance issues with the No. 91 chassis after significant early-season damage.

The team must coordinate with Timing regarding transponders and Racelink data, to the satisfaction of Timing.

The competitor is reminded of his right to appeal (Article 18) except the penalties which are not susceptible to appeal.
