

Stewards Bulletin No. 05

To: All Competitors

Subject: Track Limits – Additional Information

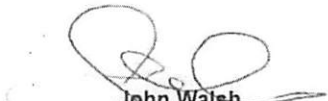

Date: 14 October 2021

Time: 09:11

For the further confirmation of track limits and for the avoidance of doubt, drivers may utilize the asphalt surface at the exit of Turn 6 all the way until it ends at the grass.

However, if utilizing this line, the driver must return the car to the dark asphalt/marked racing surface as soon as practical before Turn 7.

Prohibiting/impeding a car from returning to the marked surface will be considered a breach of SR15.3.1 and FIA ISC Appendix L, Chapter IV, Article 2.b.
