
From: The Stewards
To: The Competitor - Zelus Racing No. 88
Driver: Jason / Madison

Decision No: GT-013
Date: 4/17/22
Time: 11:02

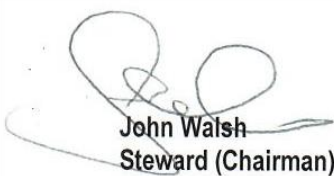

The competitor has requested a chassis change, as their car used for a Race 1 is unable to compete in Race 2.

After considering the matter, the Stewards agree to the chassis change, with the following stipulations:

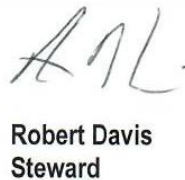

The No. 88 must start Race 2 at the rear of the field

The competitor must pass all required pre-race inspections as required by the Series

The competitor must coordinate with Timing on transponder number, along with GPS and other series-required on-board equipment.
