Re: Revision to GT WCA Race Start / Tire Procedures – Race 1 Time: 10:50

At the request of the Series, the Stewards grant a change to the race starting procedures related to tires **FOR RACE 1 ONLY.**

Tires must be on the fitted on the car, and the car must be on the ground at the 3 minute warning.

This is a modification, for this event only, of the SR requirement that tires be fitted and the car is on the ground at the 5 minute warning.

For Race 2, normal procedures will apply, and tires must be on the car and the car on the ground at the 5 minute warning.
